CONTRACT AWARD | HALLS CREEK PROJECT

Rock on Ground Pty Ltd has been awarded a contract by Halls Creek Mining Pty Ltd (a subsidiary of ASX listed Pantoro Ltd) to provide drilling, blasting and explosives supply services for the Halls Creek Gold Project, which is located approximately 46km south-west of Halls Creek in the East Kimberley region of Western Australia.

Rock on Ground will provide two Sandvik DP1100 top hammer drills and associated blasting and explosive supply equipment for the open pit drill and blast work which will commence in October 2016.

Rock on Ground Managing Director - Alan Vickery stated "We are excited about returning to the Kimberley region with Halls Creek Mining after completing some initial work for them on their start-up of their underground project at Halls Creek."
